

Dear Parent(s)

APPLICATION AND ADMISSION INFORMATION

Monthly fees are required to be paid in advance, as stipulated in the *Undertaking by Parents*, which is signed by both of the parents (or the guardian, if applicable). It is the responsibility of the parent(s) to ensure that all outstanding fees from the prior year have been fully settled and the first month's fees have been paid in advance, before bringing their child to school. **No children will be admitted to classes in 2023 unless these financial criteria have been met.**
